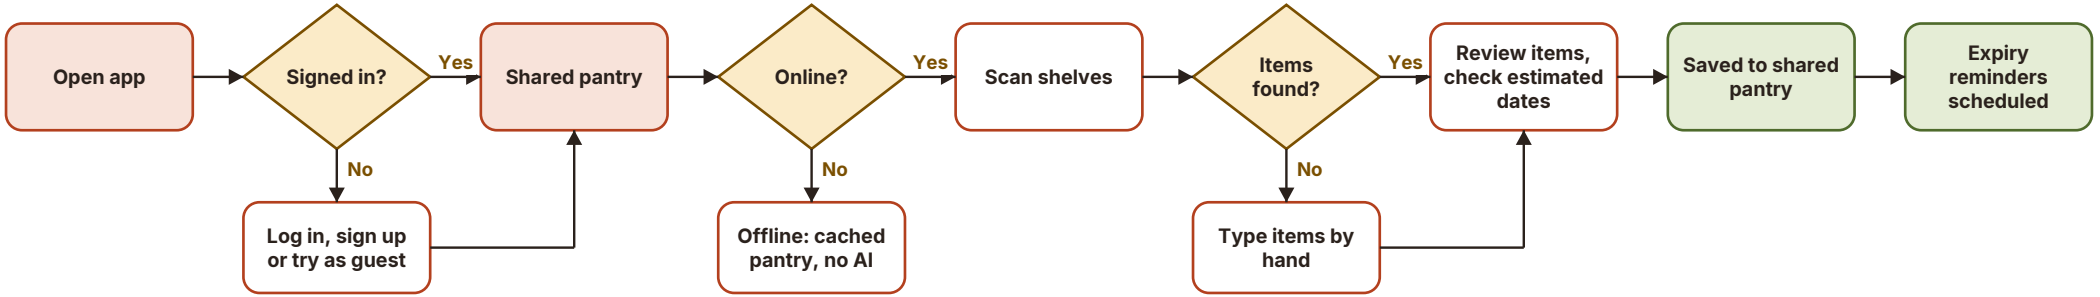
User Flow

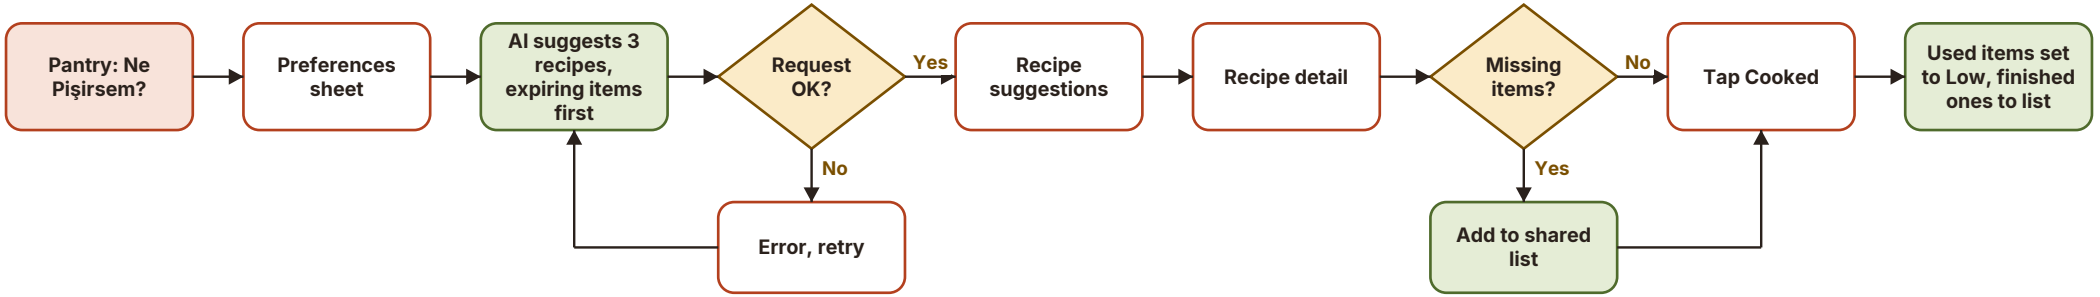
Dolaptan · MTM4681 Mobile Programming · Milestone · Team [TAKIM NO] · Hatice Karakuş, Muhammed Ali Demirsoy

Core loop: Pantry → recipes that use what expires first → Cooked → missing and finished items go to the shared list → Bought → back in the pantry.

1 Add food to the shared pantry



2 Decide what to cook



3 Shop and stay ahead of expiry

Screen · Decision · Automatic (AI, sync, reminder) · Pantry, start or end

Bottom tabs: Dolap (pantry), Tarifler (saved recipes), Liste (shopping list).
